## PROFESSIONAL SUMMARY

I am a Front End Web Developer with 6 years of professional experience. I have developed and implemented numerous websites and applica-  
tions, always ensuring that they are user-friendly, aesthetically pleas-  
ing and secure. My biggest achievements include increasing website  
traffic by 50%, reducing average response time from 12 to 3 seconds,  
and creating a responsive web design for a major client.

I have excellent technical skills, including HTML5, CSS3, JavaScript,  
jQuery and Bootstrap. Moreover, I am highly organized and creative in  
my approach to developing robust, innovative solutions. My ability to  
stay up to date with the latest industry trends makes me a valuable  
asset for any organization.
